Erika,

Thanks for sending this to us.

Randall Tampa, our Operations Director intends to apply to participate in this innovative program. When I briefed our Board about the meeting with city Attorney Mike Feur, I was pleased to hear that Hilda Jimenez, one of our Board members has already participated in one of the panels.

We would definitely like to schedule you for a presentation at the March Operations Committee meeting . Rena Leddy in our office will send you the details.

In the interim based on our discussions at the meeting we will undertake an inventory of marijuana dispensaries in our district to keep you apprised of any openings of these establishments.

Kurt,

We welcome your help in addressing the encampments/personal possession storage issues on 7th Street & Maple south of 7th Street. As you know Valentine's Day will soon be upon us and anything we can do to relieve sidewalk congestion around the Flower Markets which are active both night & day would be appreciated!!

Thanks

Kent Smith,

Hello Kent,

It was a pleasure speaking with you at Thursday's BID meeting. I wanted to follow up with you regarding a few items. First, attached you will find information regarding the Neighborhood Justice Program. Also, please let me know if your BID would be interested in having the Director of the program attend one of your upcoming meetings. Kurt and I would be glad to arrange a presentation.

Thank you,  
Erika
